Niagara IceDogs Adopt-A-School Program

The Niagara IceDogs Adopt-A-School Program is a partnership among area businesses, local schools and the Niagara IceDogs Hockey Club. Businesses adopt a school of their choice or the IceDogs can assign a deserving school to your company.

Schools will receive two sets of season tickets to be given to deserving students throughout the course of the season. The adopted schools recognize students who achieve academic and athletic success and the winners receive tickets to an IceDogs home game at the Gatorade Garden City Complex.

The Niagara IceDogs Adopt-A-School Program includes the following elements:

- Companies adopt a school and 2 Niagara IceDogs season tickets are given to the school principal for a season long program that recognizes students for their achievements.
- 20 complimentary tickets for your company to use at a game of your choice in the 2009-2010 regular season
- Company name, logo and link to company website and the name of your adopted school to be listed on the Adopt-A-School page of our website
- Company name, logo and adopted school name included in a special Adopt-A-School page of our game program
- Company will be recognized on our big screens during IceDogs home games
- A school assembly will be organized at the adopted school with IceDogs players and a representative of the sponsoring company

The annual cost of this program is \$1,000.
